

Invitation for Vendor Meet (Interactive Session) with Third Party Inspecting Agencies and Design Consultants.

Onshore Engineering Services (OES) Delhi is responsible for development of new facilities and reengineering and revamping of existing installations through EPC Projects to improve transportation, processing and storage of hydrocarbons at ONGC's Onshore Assets and Basins all over India. For smooth and proper execution of various projects, OES is soliciting the services of firms in the areas of Third Party Inspection of Facilities during construction and Design Consultants of LSTK Projects.

OES, Delhi proposes to organize a one day Vendor Meet (Interactive Session) in the second week of March, 2010 with Third Party Inspection Agencies and Design Consulting Firms to have better understanding of ONGC's requirement and interaction on issues of mutual interest. Firm date and venue shall be communicated in due course of time.

Third Party Inspecting Agencies and Design Consultants already empanelled with OES, ONGC will be extended the invitation individually. As the session is scheduled to have interaction with a broader spectrum of firms, firms of repute and proven background in the above areas of activities are also invited to attend the Vendor meet. Such firms may submit their request indicating their experience to the office of DGM (MM), MM, OES, ONGC, 7th Floor, Scope Minar, Lakshmi Nagar, Delhi-110092 (Contact 011-24406590 / 24406772 / 09968282919 / 09868282147). Detailed requests can also be sent through mail to mathur_pk@ongc.co.in
